What's important to me...

A cup of tea in the morning.

Doing something creative or constructive.

A cup of coffee in the morning.

I love to visit different places. I like the countryside and I like cities.

I love to read, watch and listen to stories.

Being around trees

Laughter.

The arts – I love visiting art galleries and going to concerts and theatre.

My family.

Begrudgingly, my very bad dog, who takes me for nice walks.

How best to support me...

- Tell me what works for you and share your experiences.
- Tell me what you think - be honest with me.
- Have a laugh with me.
- Give me a shove sometimes – I might have forgotten what I was doing.
- Trust me to make mistakes and help me to learn from them.
- Come and have a coffee.
