What's important to me...

My family and friends are the most important things to me.

Our bi-monthly team meeting keeps me up to date with what others are doing.

To be able to go to the gym/swimming or out walking with friends, eat healthily and drink lots of water.

To know what I am doing each day, I like to be organised.

To experience a personal satisfaction of doing a job well.

Having time to listen to other people's difficulties and concerns.

What people like and admire about me...

Get things done on time.

Sense of humour.

I am trustworthy, loyal and caring.

I'm always organised and punctual.

Good listener.

How best to support me...

- Have confidence in me to carry out new tasks which I may not have done before and have the knowledge that I will ask for help if I get stuck.

- I like to be organised, tell me plans in advance so that I have time to prepare.

- Let me know when I have done well and also when I have not.

- Give me regular updates of what is happening so I keep on top of things.
