

Autism Workshops

The Friendships workshop is more relevant to those working within children's services but may also be of interest to everyone.

Autism Workshop Learning Outcomes

Friendships

- To understand what friendship means to an individual with autism.
- To understand the impact of autism on the development of friendships.
- To learn how to develop friendships through play.
- To learn how to develop friendships for adolescents with autism.

Get in touch

To discuss your particular training requirements and for information and advice on any of our courses, please get in touch. We would love to talk about how we can work together ...
