

Rachel McGinn

What people like and admire about me...

I'm committed to what I do.

I will help anyone when I can.

I'm approachable and friendly.

I will say if I don't agree with something and offer another point of view.

What's important to me...

Spending time with family and friends.

Christmas (the only time of year all my family come back home at the same time, so we are all together)

Travelling to see different places around the world.

Doing purposeful work, that makes a difference to people.

Cooking nice food and entertaining.

Walking on the beach with my dog.

My Piano

How best to support me...

Ask me if you don't understand what I'm trying to say.

Give me time to think about things.

Give me honest feedback, so I can learn and develop from it.
