## What's important to me...

- To work as part of a supportive team in a positive working environment
- To have a job where I am out and about meeting with people and not just sitting at a desk
- I like to focus on practical solutions but I don't ignore the challenges
- To be able to be confident that the work I do is helping to improve people's lives
- To have a good work/life balance
- To spend time with my partner, family and friends (this includes regular visits back home to Australia!)
- To be able to travel to new places and return to old favourites
- To have time for the things I enjoy (reading a good book, going to gigs, hill walking, yoga, good wine, delicious food, good company).

## What people like and admire about me...

- Passionate about working with people from all walks of life
- Strong values
- Non-judgmental
- Positive attitude and a good sense of humour
- I am a good listener and am happy to help work through problems

## How best to support me...

- Be confident that I will let you know if I don't understand something or if I need guidance
- Let me know if there is a deadline and I will work to it
- When I am new to a group I like to take time to observe and get to know people before jumping in
- I appreciate the opportunity to talk through issues and situations
- I like to have time to reflect on my work and think things through
- I appreciate feedback as long as it is constructive
