## What people like and admire about me...

- Willing to help other team members,
- Sense of humour,
- Upbeat,
- Easy Going
- Not easily offended
- Understanding

## What's important to me...

- I like to be prepared and organised.
- I appreciate having discourse around ideas so I can get a holistic understanding of what you are talking about and in turn, how I then may help you.
- Having enough work to keep me busy but not overload me.
- Humour and having fun at work.
- Healthy eating, exercise with plenty of cups of tea.
- Having time to think through an issue.
- Getting to know people who I work and liaise with in a more informal way.
- Patience with others.

## How best to support me...

- Provide time to give me constructive feedback.
- I think about things in great detail and sometimes will discuss the smaller issues. Please don't think I have lost sight of the larger picture.
- If you become confused by what I am talking about let me know.
- If you send me a lot of information I may phone you to make sure I have understood it.
- Be relaxed and upbeat as much as possible.
